DECLARATION OF CONVENTIONAL SEED PRODUCTION

TO WHOM IT MAY CONCERN

Cesena, Italy, January 01, 2025

The undersigned, CORA® SEEDS SRL, declares that all seeds for the varieties in the current assortment of the company that may be sampled or sold

1 Have been developed according to conventional breeding methods without the use of genetic modification leading to genetically modified organisms (GMO's) as defined in the Directive 2001/18/EC of March 12, 2001 on the deliberate release into the environment of genetically modified organisms.

2 Have been produced in a natural environment taking appropriate precaution to minimise the adventitious presence of impurities, including genetically modified impurities.

This declaration applies to all varieties, of CORA® SEEDS SRL, which have been, or will be, marketed during the year 2025. After this term expires, CORA® SEEDS SRL will update this statement.
